

MAIN STREET CONSTRUCTION

Lakin Branch · 221 N. Main St.

Pardon our dust!

We're open as always — just **park out back.**

The State of Kansas is giving Main Street a makeover, and the street in front of our branch will be closed beginning **June 15** (or whenever the State kicks off the project). The good news: **nothing about your banking changes** — same hours, same friendly faces, same Main Street doors. We've simply moved customer parking to the rear of the building. **We're sorry for the inconvenience** and we appreciate your patience while the State does its work.

Open & ready — all hours stay the same
Lobby and drive-through, business as usual. Come on in through the Main Street doors.

WE'RE OPEN!

P Where to Park

8 Reserved Customer Parking
8 spaces set aside for customers in the **rear (west side)** of the bank.

N Need More Room?
Additional **street parking on Washington Ave**, along the north side of the bank.

Skip the detour — we're in your pocket.

No parking required. With **KCB mobile & online banking**, you can check balances, deposit checks, pay bills and move money anytime, anywhere — construction or not.
